DELAWARE REEF CLUB

DRC seeks to promote a better understanding of the life we keep in our home aquariums, to increase the longevity of marine life in a controlled environment and to encourage that life to propagate freely. Only through education and the sharing of ideas can we expect a future for our hobby.

As a sponsor of DRC, you will receive the following direct benefits: a banner advertisement on discourse.brandywinereef.club, a dedicated board on DRC's forum, mention at club meetings, and reinforcement for members to support our sponsors. Sponsors and their staff are invited to participate in all club meetings to learn, share ideas and participate directly with members. Sponsorships are for one calendar year (January – December).
